

Forth 200x Standards Committee #13  
College Garden Hotel  
Bad Vöslau  
Austria  
6 – 8 September, 2017

Agenda

---

**1. Attendance**

**2. Procedures**

This year we'll try something new in order to improve progress in the following year. We will form sub-committee workshops in order to get the ball rolling face-to-face.

Workshops should produce minutes with actions.

Last year we introduced experimental proposals. Perhaps one or more of the current ideas under discussion, e.g. recognisers, could be placed there until common practice is achieved.

We could also introduce recommendations. An example of this could be the memory access word set.

We also need to establish the relationship between proposals at [forth-standard.org](http://forth-standard.org) and [forth200x.org](http://forth200x.org).

**3. Reports**

If any of the previous requested action have produced activity, please circulate notes before the meeting so that we have time to study them.

- |                           |             |
|---------------------------|-------------|
| a) Forth 2012 publication | LW/BP/WB/PK |
| b) Recognisers            | AE/BP       |
| c) Memory access          | SFP/LW/BP   |
| d) Single xt              | AE/BP/SFP   |
| e) Multi-tasking          | AH/GW       |
| f) Directories            | GW/UH       |
| g) Sockets                | GW          |
| h) Internationalisation   | WB/SFP/PK   |
| i) Libraries              | GW          |
| j) Experimental Proposals | GW          |
| k) Extension queries      | SFP/UH      |

## 4. Proposal review

- a) CS-DROP
- b) Unsigned double naming convention      AE
- c) Recognisers v4      AE/BP
- d) Quotations - more existing practice      AE
- e) experimental proposal      SFP

## 5. CfV votes (if any)

## 6. Workshops

Topic list to be defined at the meeting, perhaps to include:

- a) Integer double and Float formats
- b) Move Sänd S" from FILE.
- c) Forth 2012 publication
- d) Memory access      SFP/LW/BP
- e) Directory wordset      GW/UH
- f) Ambiguous conditions

## 7. Workshop reports

With attendance, actions and actors!

## 8. Matters arising

## 9. Date of next meeting

## 10. Any other business
